The Turaida Museum Reserve is the historical centre of Turaida and comprises archaeological, historical and artmonuments that tell us about the events that have taken place since the 11th century. Turaida church, one of the oldest wooden churches built by the local rural craftsmen, is situated here. A graveyard was established here for the first baptized Liivs. Under an old linden tree is the legendary tomb of Roze that commemorates a girl who sacrificed herself in the name of love. The "Folk Song Garden", containing 25 sculptures by Indulis Ranka, is situated on the site of a former ancient Liiv village. It is dedicated to Latvian folk songs and to the lifelong work of their collector Krisjanis Barons.

Optional tour: RIGA - RUNDALĒ - RIGA

Located at a distance of 76 km from Riga, Rundale Palace is a pearl of Baroque architecture in Latvia, standing proud in its original splendor in a fertile plain surrounded by forests. It is Latvia's version of Versailles and Sans Soucis. Today this place is subtly restored, and it is hard to believe that the Germans used the palace as a granary in World War II. Now the 138 rooms are open to visitors in all their splendor and it is the most significant masterpiece of Baroque architecture in the Baltic States.
